

Things to bring on your return

- Water** – all drinking fountains are disabled however there are facilities available on campus to fill water bottles
- Snacks and food** – shared amenities such as microwaves and any cooking appliances are unavailable for the moment. Food and drink is still available through campus vending machines
- Stationery** – pens, paper and any other things you need to complete your class- no shared items keeps us safe
- Consider any other **workbooks, text books or course material** you need for your studies during the course of that day
- Tools and equipment** – if you need this for practical classes make sure you bring them with you
- Personal Protective Equipment** such as safety glasses, gloves, high vis wear or anything else specific to your learning
- Hand sanitiser**
- Any **digital devices** you need as we can't share these amongst students at the moment, discuss with your trainer if you have any specific requirements before you start class
- Remember to sign in to campus building**
- Bathroom and Toilet facilities** remain open. Physical distancing requirements apply.

Reminder: if not feeling well, then stay home & adhere to social distancing.
