What do Class Reps do?

A Class Rep act as a voice for students of their class and year. They work as liaisons between their classmates, the Student Council, and staff at GOTAFE. They have an important role which makes a big difference to day-to-day student life. In particular Class Reps can help with a range of issues within a course and can give student opinion to the trainer or committees and services to ensure that your student experience is the best it can be. They can also raise issues and ideas with the Student Council and be your liaison with any other groups within GOTAFE.
