

- 1) From your Apple device go to your wireless settings.
 - a) if you are a student connect to GOTAFE-Student-WiFi
 - b) if you are staff connect to GOTAFE-Staff-WiFi

**please note: student username and password will not work on the staff WiFi network and vice-versa

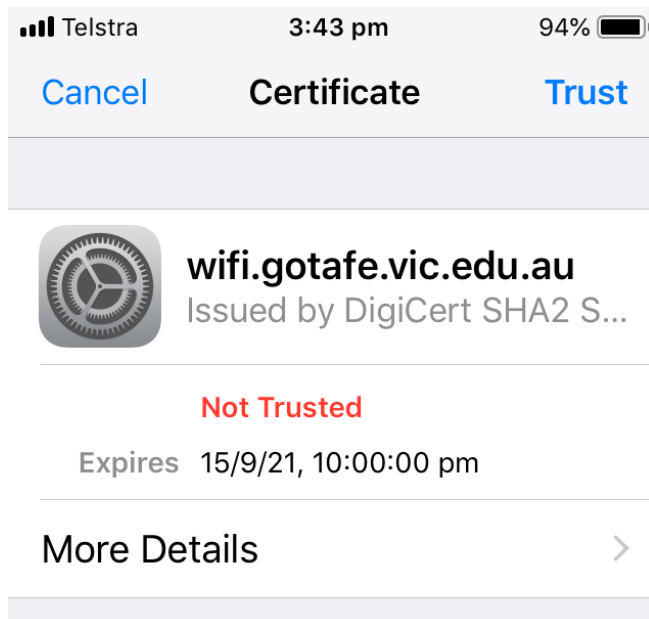

****IMPORTANT**** All images taken are from a device running IOS 12.4.4. Depending on the version of Apple operating system running on device, what you see may vary slightly from the images in this document.

- 2) After selecting the correct network (staff or student) enter your username and password and click 'Join'

**please note: student username is your student ID number e.g. 2000123123

- 3) After clicking 'Join' the following window will appear. Please click 'Trust'.

- 4) Once complete you will be connected to the GOTAFE WiFi and will be able to browse the internet.
